

St. Francis Adult Education Program for Winter, 2012

In January our adult education program focuses on the business of the parish and diocese, with annual meetings to conduct and budgets to discuss. As we move into Lent, late in February, we will offer a series of Sunday forums on spiritual practices: "Fast, Pray, Give" and other disciplines. Our Lenten Tuesday evening potluck and program series will focus on the various stages of the Christian life. Speakers will be drawn from our own clergy and lay leaders.

Sunday forums are held during the Sunday School hour between 10 and 11 am. The Tuesday series will begin with prayers in the church at 6 pm and a potluck supper at 6:30, ending the program by 8:30 pm. All programs take place in Millen Hall.
